Pittsburgh Downtown Partnership

**"Feel the Momentum"**

**About Our Speaker**

A recognized economic development professional, Michael M. Edwards has more than 20 years of public administration and urban planning experience. Mr. Edwards diverse experience in Downtown development, Downtown housing, project management and marketing has been developed in cities throughout the nation, including Pittsburgh (PA), Spokane (WA) and Buffalo (NY). Prior to his work in Pittsburgh, Edwards served as the President of the Downtown Spokane Partnership, where he managed an 80-block Business Improvement District (BID) that provided a comprehensive package of programs including clean and safe, entertainment, transportation and parking. As the President and CEO of the Pittsburgh Downtown Partnership, Edwards manages a 90-block BID, has been active in the Downtown development efforts, and has overseen the development of enhanced cleaning services, a new Safety Ambassador program, and the launch of *Wi Fi Downtown Pittsburgh*, a wireless Central Business District. Edwards is implementing a new 5-year Strategic Action Plan and completed the second 5-year renewal of the Downtown Pittsburgh Business Improvement District.
